

**Replies to the queries received and minutes of the Pre Bid meeting held on 29.10.2015 for “Supply, Installation and Commissioning of Tablet PC to Assam State Disaster Management Authority” issued vide tender no. RGR/ASDMA/25/2015/67, 06.10.2015 under the Chairmanship of Chief Executive Officer, Assam State Disaster Management Authority (ASDMA), Assam.**

- Assam State Disaster Management Authority had published an e-tender of “Supply, Installation and Commissioning of Tablet PC to Assam State Disaster Management Authority” in the official e-procurement portal of Assam.
- The pre bid meeting of the Tender Document was on 29<sup>th</sup> October, 2015.
- Altogether 12 agencies has submitted their queries to ASDMA.
- The details of the queries made by the parties is placed at Annexure-I.
- Representatives of 12 nos. of firms attended the Pre bid meeting. The attendance sheet showing the names of the firm and representative is placed at Annexure-II. The attendance sheet of purchase committee member is placed at Annexure-III.
- The committee after threadbare discussion of the issues involved in the queries of the prospective bidders, both technical and non-technical issues decided to modify some of the clauses/provisions made in the tender document for “Supply, Installation and Commissioning of Tablet PC to Assam State Disaster Management Authority” issued vide tender no. RGR/ASDMA/25/2015/67, 06.10.2015 as follows; -

Sl. No	Name of the Firm/Agency/OEM	Queries obtained from Agencies	Decision Taken
1	M/s Datamini Technologies (India) Limited	As per the RFP, the pre-bid is scheduled to be held on the 17 <sup>th</sup> October, 2015 which is a Saturday and will be a holiday for most OEMs. Secondly there is no time mentioned for the above pre bid also. As you are already aware, being in the Eastern part of the country the Durga Puja festivities also start from Monday onwards. As such we would request you to kindly reschedule the Pre Bid meeting after the Pujas and also to provide an extension on the submission of the Bids.	Date for Pre bid meeting re-fixed on 29/10/2015 at 11:00 AM vide notification no. RGR/ASDMA/25/2015/142, Dated: 15 <sup>th</sup> October, 2015. Which has been uploaded in the e-procurement portal.
2	M/s Datamini Technologies (India) Limited	<b>The Bidder should have experience of having successfully completed similar supplies during the last 2 financial years ending 31st March,2014 -</b>  Assuming that the Bidder will be	In case of authorized bidder/Partner of OEM, bids must be accompanied by valid and proper authorization from OEM.

*Bansal*

		quoting through Authorised partners, we request you to kindly let us know and also to allow the OEMS credentials to be considered as part of the Bidders credentials on the above clause.	
3	M/s Datamini Technologies (India) Limited	We request you to kindly notify the time of the pre bid meeting. Also 16/10/2015 being a Saturday we are not sure if the meeting will actually take place on that day. Also being in the Eastern part of the country, the Durga Puja festivals are also on and as such we request that the date be postponed to after 22nd October,2015	Same as at Sl. 1 above.
4	M/s Datamini Technologies (India) Limited	With reference to the above query it is also suggested that the last date of submission be extended by 7-10 days at least.	The last for submission has also extended up to 13.11.2015 (4:00 PM) vide notification as at Sl.1 above.
5	M/s Datamini Technologies (India) Limited	<b>Price applicability –</b> We request that the above clause be modified to 90 days only keeping in mind the volatility in the market. We also request the authority to take into account the EFR clause and allow for a revision of the price in case the Exchange rate varies by +5% on that particular day/time	This cannot be considered as to complete the process of procurement by obtaining necessary approval and sanction from Govt. Department concerned is going to take time. Besides, specified price applicability has been made keeping in mind the need for further procurement.
6	M/s Datamini Technologies (India) Limited	Request you to kindly let us know on what will be the testing procedures and how the same will be conducted. This should be notified before the submission of the Bid and in case any specific applications has to be loaded, the availability of the App also needs to be provided and given to the OEM/Bidder before the supply.	Testing to be done by ASDMA through a Govt. Agency like NIC/AMTRON/IT etc. will be done on the equipments and its performance based on the specification given in the bid. Requirement of additional software if any will be intimated to the successful bidder before issue of supply order.
7	M/s Datamini Technologies (India) Limited	Please provide details on the training requirements, and also the process of the same, and will the same be	Successful bidder will have to fulfil training requirements for key personnel of ASDMA, NIC,

Ramod

		conducted at one single location	DLR, AMTRON etc. at a single location. To be decided by Authority.
8	M/s Datamini Technologies (India) Limited	<b>Liquidated Damages</b> - Although the cap of 10% is ok, we request that you revise/amend the rate of LD charges to 0.5% of the not delivered part only value of the BOM	Not Negotiable.
9	M/s Datamini Technologies (India) Limited	We request that the same be modified to 90% of the amount to be paid on supply and installation /activation of the Tablet PCs within 30 days.	Within 90 days period means it could be 30 days also, no separate modification is required.
10	M/s Datamini Technologies (India) Limited	Balance 10% to be released immediately on submission of the PBG	PBG is to be furnished by the successful bidder before issue of work order, so payment of balance 10% is not related to PBG only. EMD furnished with bids can be released to the successful bidder on submission of PBG.
11	M/s Datamini Technologies (India) Limited	We request the same be modified to 4-6 weeks from date of placement of order and in case of Inspection testing, 4-6 weeks after the inspection has been done. Also we request that the delivery be done at a single location specifically the HQ for the entire consignment	It was decided that Inspection and testing has to be completed by the bidder party as directed within 2 weeks of getting work order and delivery to be completed within 4 weeks after testing.
12	M/s Datamini Technologies (India) Limited	Since this is an electronics item and portable we request you to kindly modify the same to 3 years Carry-in Warranty to the nearest Service Centre.	This clause cannot be modified.

*Pranoj*

13	M/s Datamini Technologies (India) Limited	Request you to kindly modify the same to Android Kit Kat 4.4 or higher. Additionally we also request you to kindly consider the Microsoft Windows 8.1 O/s also which also gives you the same feel and interface as your desktop and comes with 1 years free subscription of Office 365 and 1TB of Cloud Storage	The technical specification and BoQ at Annexure –III of the tender document the parameters of OS modified as Android Kit Kat 4.4 or higher (Upgrade support to new higher version).  Similar queries made by the other bidders also stand decided accordingly.
14	M/s Datamini Technologies (India) Limited	Finger print sensor is not a standard attachment on any tablets and as such this is Vendor/OEM Specific and could be suiting one particular Vendor /OEM. Also we do assume that the Device/Apps will be protected through some Password etc., and as such Finger Print sensor may not be required.	The requirement of finger print sensor stands deleted.
15	M/s Datamini Technologies (India) Limited	Please do let us know if you would be requiring only Data or both Data and Voice for the Tab applications. In case of only Data through 3G and Wi-Fi is built in, and it strengthens the case for a Windows based tablet. Since you are also asking for MS Office it is definitely suggested that you look at Windows 8.1 as the O/s since you will have the same office application across the enterprise rather than having different Office applications which may give rise to compatibility issues also.	We require only Data in the Tablet PC through Wi-Fi network.
17	Samsung India Electronics Pvt. Ltd.	<b>Connectivity- WCDMA - May be supported through USB Dongle-</b> Please Remove 'WCDMA - May be supported through USB Dongle'- This point is redundant as the department intends to synchronize the land record data over Wifi network. The Wifi requirement is already covered as 'WiFi IEE 802.11 b/g/n'	The requirement of WCDMA stands deleted.  Similar queries made by the other bidders also stand decided accordingly.

*Pramod*

18	Samsung India Electronics Pvt. Ltd.	<p><b>Sensors - G-Sensor - Please Remove 'G-Sensor'</b>- This point is redundant as the department has already asked for 'Accelerometer' sensor. For ASDMA business requirement, the 'Accelerometer' sensor will be sufficient. Moreover, the 'G Sensor' is required mainly for Gaming applications.</p>	<p>The parameter for sensor to be reads as "G sensor /Accelerometer".</p> <p>Similar queries made by the other bidders also stand decided accordingly.</p>
19	Samsung India Electronics Pvt. Ltd.	<p><b>Sensors - Finger Print Sensor - Please Remove 'Finger Print Sensor'</b> - This type of sensor is generally available on high end Tablets only.</p> <p>1) The ASDMA business requirement for security can be achieved through 'Password' and 'Pattern Lock' available on the tablets.</p> <p>2) There are 3rd party Bluetooth based Finger print sensors available that integrates well with the Samsung Tablets. However, their primary purpose is not device security.</p> <p>Hence, we would request ASDMA to re-evaluate their business requirement for need of Finger Print Sensor.</p> <p>Samsung do have high end Tablet (highly priced) available with inbuilt Finger Print sensor.</p>	<p>The requirement of finger print sensor stands deleted.</p> <p>Similar queries made by the other bidders also stand decided accordingly.</p>
20	Samsung India Electronics Pvt. Ltd.	<p><b>Pre-Loaded Software - Office suite (MS office / Open Office / Polaries Office etc.), Antivirus (License Version for the warranty period), PDF reader, Google Earth etc.</b> - Please Remove 'Pre-Loaded Software' - The required softwares are supported on our Tablet. However, it does not come pre-loaded. Usually the end user can download these from Google Play Store basis his requirements.</p>	<p>Against the parameter for pre-loaded softwares at Annexure – III, Office suite modified as (Polaries, Antivirus – Free Version, PDF reader with PaniniKeypad for both Assamese &amp; Bengali version).</p>

*Pramod*

21	Intel Technology India Pvt. Ltd.	<p><b>Processor - Quad core with minimum 1.2 GHz Clock Speed</b> - Tablets are now getting widely purchased by various customers through tenders. Due to lack of awareness about benchmarks for Tablets almost all the tenders are taking physical parameter approach to define the specifications. In this scenario, it becomes difficult for customer to judge how the tablets from different vendors based on different architectures perform. Hence we request you to kindly include some performance benchmarks as followed by reputed agencies like AMTRON and APTS (Andhra Pradesh Technical Services) and Modify the Processor Specification as below:- " Quad core with minimum 1.2 GHz Clock Speed with WebXPRT* 2013 Score of 190 or Higher and Google Octane Score of 4000 or higher"</p>	<p>The condition stands.</p> <p>Similar queries made by the other bidders also stand decided accordingly.</p>
22.	Intel Technology India Pvt. Ltd.	<p><b>Display Type - Minimum 8 inch or higher TFT /LCD Based Capacitive. Multi Touch Screen with minimum resolution of Min 1024 x 600 pixels</b> - Most of the Tablets with inbuilt Finger Print Sensor comes in 7" inch size. 8" size with inbuilt Finger print sensor is not a standard attachment on any tablets and as such this is Vendor/OEM Specific and could be suiting one particular Vendor /OEM. Considering the same request you to kindly change the Display to "Minimum 7 inch or higher TFT /LCD Based Capacitive. Multi Touch Screen with minimum resolution of Min 1024 x 600 pixels".</p>	<p>The condition stands.</p>
24	Intel Technology India Pvt. Ltd.	<p><b>Sensors - Proximity Sensor</b> - Proximity Sensors mainly functions on smart phone or calling devices hence request you to kindly remove the same</p>	<p>Condition is deleted.</p>

*Prano*

32	BMG Informatics	<p><b>Accessories - USB Cable, HDMI cable, OTG cable</b> - Kindly remove HDMI cable. You have asked only USB port interface. Hence USB cable &amp; OTG cables are necessary. HDMI cable is not applicable.</p>	<p>From the parameter for accessories in Annexure –III the HDMI cable is deleted.</p>
33	BMG Informatics	<p><b>Point 2. Of 1.1 Eligibility Criteria - Average Annual Financial Turn Over during the last 3 years, ending 31st March 2014 should be Rs.1 Crore. (Please submit Annual report (Balance sheet and profit &amp; loss Account) for last 3 financial years. – Average Annual Turn Over during last 3 years can be asked for Min Rs.5 Crore.</b></p> <p>As this involves supply &amp; installation of large number tablets, hence, any firm with turn over near 1Crore may not suffice to fulfil / execute this kind of contract.</p>	<p>Point 2 of clause 1.1 (Eligibility Criteria) to be read as "Average annual financial Turn over during last 3 years ending 31<sup>st</sup> March,2015 " and rest remain same.</p>
34	BMG Informatics	<p><b>Point 3. Of 1.1 Eligibility Criteria - Bidder should have experience of having successfully completed similar supplies during last 2 financial years ending 31st March 2014. ( Please submit attested copies of supply order / completion certificate) – Bidder's Experience please be considered for last 5 years. The period towards experience of the bidder should be accounted prior to date of submission of the Bid (i.e. up to 07/11/2015).</b></p> <p>5 years' experience also matches with the clause description stated under "Evaluation Matrix" – Annexure VIII. (Page No: 31 of the Tender Document).</p> <p>Experience Of Firm Asked in the Evaluation Matrix: Proven experience for delivery of Tablet PC and installation, integration &amp; maintenance of the same in Govt. / PSUs/ Autonomous Bodies/ Authority for at least one project of value not less Rs. 1 Lakh each during last 5 years.</p>	<p>Point 3 of clause 1.1 (Eligibility Criteria) to be read as "bidders should have experience of having successfully completed similar supplies during the last 2 years till the last date fixed for submission of bids."</p>

*Pramod*

35	INFOTECH SOLUTION/ HP/ Medhassu/ cmsitservices	<p><b>Operating Systems - Android 5.0 Lollipop or higher ( upgrade support to next higher version –</b>  We would request you to also consider the Microsoft a one of the operating systems. It is one of the widely available OS across all the OEMs and considered to be one of the most stable, secured and user friendly OS. Considering the same kindly amend the processor specification to "Android Kit Kat 4.4 or higher / Microsoft Windows 8 or higher".</p>	The land record software (.apk) has been developed by NIC for Android based platform only.
36	INFOTECH SOLUTION/ HP/ Medhassu/ cmsitservices	<p><b>Display Type –</b>  10.1"Better readability and usage in the field where light is dim</p>	<p>The specified parameter in the tender document stands as it was the minimum requirement. Any higher specification bidder may quote in their technical bids.</p> <p>Similar queries made by the other bidders also stand decided accordingly.</p>
37	INFOTECH SOLUTION/ HP/ Medhassu/ cmsitservices	<p><b>Display- Toughened glass –</b>  Display breakage where the repair/replacement cost will be as high as 40% of the device cost itself. In order to reduce the chances of display breakage it's important to include Toughened Glass protection built in by design.</p>	<p>The stated conditions was not part of specified parameter in the tender document. Bidder may quote the features, if any, in their technical bids.</p> <p>Similar queries made by the other bidders also stand decided accordingly.</p>
38	INFOTECH SOLUTION/ HP/ Medhassu/ cmsitservices	<p><b>Protection from drop, moisture and Dust –</b>  Ruggedized tablets use case which can withstand the Harsh Indian environment of high levels of Dust, Accidental Water Splash, Rain &amp; Drop protection built in by design. We need to recommend minimum IP 52 Protection and Drop Protection from 2FT on Normal Road on any side to support this use case</p>	<p>The stated conditions was not part of specified parameter in the tender document. Bidder may quote such features, if any, in their technical bids.</p> <p>Similar queries made by the other bidders also stand decided accordingly.</p>
39	INFOTECH SOLUTION/ HP/ Medhassu/ cmsitservices	<p><b>Weight - Less than 500gms –</b>  Less than 900 gm as the ruggedisation of ABS plastic will make the device sturdy and little higher on the weight which will be the case if an external ruggedisation cover is provided</p>	The parameter stands.

*Pramod*

41	INFOTECH SOLUTION/ HP/ Medhassu/ cmsitservices	<b>Battery –</b> Battery back -up required must be 6000mAh to enable usage of the device in areas where Power shortage and 8 hours of back up	The parameter stands.
42	INFOTECH SOLUTION/ HP/ Medhassu/ cmsitservices	<b>Connectivity –</b> 1 Micro USB2.0 port	The stated conditions was not part of specified parameter in the tender document. Bidder may quote the such features if any in their technical bids.  Similar queries made by the other bidders also stand decided accordingly.
44	INFOTECH SOLUTION/ HP/ Medhassu/ cmsitservices	<b>Accessories –</b> Case cover not required as the abs Plastic cover already is a hard casing on hp device	The parameter stands.
53	HCL Infosystems Ltd.	<b>EMD - Rs. 6 Lacs. –</b> Whether EMD value is based on total bid value. Please clarify.	<b>Yes</b>
54	HCL Infosystems Ltd.	<b>Performance Bank Guarantee –</b> Maximum 5 % of the value of total value of contract awards.	The parameter stands.
55	HCL Infosystems Ltd.	<b>SLA Penalty - Rs. 500/- per day</b> Rs 100/- per week to max of 5 % of Order value.	The parameter stands.
58	HCL Infosystems Ltd.	<b>Bid Validity –</b> <b>Clause 2.9 Bid validity mentioned as 180 days from date of technical &amp; financial bid opening.</b> <b>Clause 3.1 under GCC it is mentioned as 1 year from date of signing the contract. -</b> Please clarify.	The condition is clear and specific. Bid validity under clause 2.9 is in respect of the bids received which has to be decided within the specified period. On the other hand price applicability under clause 3.1 is in respect of validity of price quoted by the successful bidder. Hence, the condition stands.
59	HCL Infosystems Ltd.	<b>Clause 3.9 SUB-LETTING</b> <b>The Bidder cannot assign or transfer and sub-contract its interest/obligations under the contract without prior written permission of the Purchaser.</b> Does consortium/sub-contract is allowed with prior written approval of the Purchaser. Please clarify.	Clause 3.9 Subletting against GCC in Section 3 modified as “the bidder cannot assign or transfer & sub contract its interest/obligations under the contract at any point of time during the bid process as well as during the contract”

*Pamo*

- All other terms & condition in the document as issued & notified will remain the same.
- The decision as above will be uploaded & also sent by mail to the prospective bidder for their guidance and information of all other concerned.

Assam State Disaster Management Authority (ASDMA)

**The queries received and those raised in course of Pre Bid meeting are as follows:-**

<b>Sl. No</b>	<b>Name of the Firm/Agency/OEM</b>	<b>Queries obtained from Agencies</b>
1	M/s Datamini Technologies (India) Limited	As per the RFP, the pre-bid is scheduled to be held on the 17 <sup>th</sup> October, 2015 which is a Saturday and will be a holiday for most OEMs. Secondly there is no time mentioned for the above pre bid also. As you are already aware, being in the Eastern part of the country the Durga Puja festivities also start from Monday onwards. As such we would request you to kindly reschedule the Pre Bid meeting after the Pujas and also to provide an extension on the submission of the Bids.
2	M/s Datamini Technologies (India) Limited	<b>The Bidder should have experience of having successfully completed similar supplies during the last 2 financial years ending 31st March,2014 -</b>  Assuming that the Bidder will be quoting through Authorised partners, we request you to kindly let us know and also to allow the OEMS credentials to be considered as part of the Bidders credentials on the above clause.
3	M/s Datamini Technologies (India) Limited	We request you to kindly notify the time of the pre bid meeting. Also 16/10/2015 being a Saturday we are not sure if the meeting will actually take place on that day. Also being in the Eastern part of the country, the Durga Puja festivals are also on and as such we request that the date be postponed to after 22nd October,2015
4	M/s Datamini Technologies (India) Limited	With reference to the above query it is also suggested that the last date of submission be extended by 7-10 days at least.
5	M/s Datamini Technologies (India) Limited	<b>Price applicability –</b>  We request that the above clause be modified to 90 days only keeping in mind the volatility in the market. We also request the authority to take into account the EFR clause

		and allow for a revision of the price in case the Exchange rate varies by +5% on that particular day/time
6	M/s Datamini Technologies (India) Limited	Request you to kindly let us know on what will be the testing procedures and how the same will be conducted. This should be notified before the submission of the Bid and in case any specific applications has to be loaded, the availability of the App also needs to be provided and given to the OEM/Bidder before the supply.
7	M/s Datamini Technologies (India) Limited	Please provide details on the training requirements, and also the process of the same, and will the same be conducted at one single location
8	M/s Datamini Technologies (India) Limited	<b>Liquidated Damages</b> - Although the cap of 10% is ok, we request that you revise/amend the rate of LD charges to 0.5% of the not delivered part only value of the BOM
9	M/s Datamini Technologies (India) Limited	We request that the same be modified to 90% of the amount to be paid on supply and installation /activation of the Tablet PCs within 30 days.
10	M/s Datamini Technologies (India) Limited	Balance 10% to be released immediately on submission of the PBG
11	M/s Datamini Technologies (India) Limited	We request the same be modified to 4-6 weeks from date of placement of order and in case of Inspection testing, 4-6 weeks after the inspection has been done. Also we request that the delivery be done at a single location specifically the HQ for the entire consignment
12	M/s Datamini Technologies (India) Limited	Since this is an electronics item and portable we request you to kindly modify the same to 3 years Carry-in Warranty to the nearest Service Centre
13	M/s Datamini Technologies (India) Limited	Request you to kindly modify the same to Android Kit Kat 4.4 or higher. Additionally we also request you to kindly consider the Microsoft Windows 8.1 O/s also which also gives you the same feel and interface as your desktop and comes with 1 years free subscription of Office 365 and 1TB of Cloud Storage
14	M/s Datamini Technologies (India) Limited	Finger print sensor is not a standard attachment on any tablets and as such this is Vendor/OEM Specific and could be suiting one particular Vendor /OEM. Also we do assume that

		the Device/Apps will be protected through some Password etc., and as such Finger Print sensor may not be required.
15	M/s Datamini Technologies (India) Limited	Please do let us know if you would be requiring only Data or both Data and Voice for the Tab applications. In case of only Data through 3G and Wi-Fi is built in, and it strengthens the case for a Windows based tablet. Since you are also asking for MS Office it is definitely suggested that you look at Windows 8.1 as the O/s since you will have the same office application across the enterprise rather than having different Office applications which may give rise to compatibility issues also.
16	Samsung India Electronics Pvt. Ltd.	<b>Operating System- Android 5.0 Lollipop or higher (upgrade support to next higher version)</b> - Please Remove 'upgrade support to next higher version'- As a general trade practise, manufacturers do not commit on OS upgrade support for next higher version.
17	Samsung India Electronics Pvt. Ltd.	<b>Connectivity- WCDMA - May be supported through USB Dongle-</b> Please Remove 'WCDMA - May be supported through USB Dongle'- This point is redundant as the department intends to synchronize the land record data over Wifi network. The Wifi requirement is already covered as 'WiFi IEE 802.11 b/g/n'
18	Samsung India Electronics Pvt. Ltd.	<b>Sensors - G-Sensor - Please Remove 'G-Sensor'</b> - This point is redundant as the department has already asked for 'Accelerometer' sensor. For ASDMA business requirement, the 'Accelerometer' sensor will be sufficient. Moreover, the 'G Sensor' is required mainly for Gaming applications.
19	Samsung India Electronics Pvt. Ltd.	<p><b>Sensors - Finger Print Sensor - Please Remove 'Finger Print Sensor'</b> - This type of sensor is generally available on high end Tablets only.</p> <p>1) The ASDMA business requirement for security can be achieved through 'Password' and 'Pattern Lock' available on the tablets.</p> <p>2) There are 3rd party Bluetooth based Finger print sensors available that integrates well with the Samsung Tablets. However, their primary purpose is not device security.</p> <p>Hence, we would request ASDMA to re-evaluate their business requirement for need of Finger Print Sensor.</p> <p>Samsung do have high end Tablet (highly priced) available with inbuilt Finger Print sensor.</p>

20	Samsung India Electronics Pvt. Ltd.	<b>Pre-Loaded Software - Office suite (MS office / Open Office / Polaries Office etc.), Antivirus (License Version for the warranty period), PDF reader, Google Earth etc.</b> - Please Remove 'Pre-Loaded Software' - The required softwares are supported on our Tablet. However, it does not come pre-loaded. Usually the end user can download these from Google Play Store basis his requirements.
21	Intel Technology India Pvt. Ltd.	<b>Processor - Quad core with minimum 1.2 GHz Clock Speed</b> - Tablets are now getting widely purchased by various customers through tenders. Due to lack of awareness about benchmarks for Tablets almost all the tenders are taking physical parameter approach to define the specifications. In this scenario, it becomes difficult for customer to judge how the tablets from different vendors based on different architectures perform. Hence we request you to kindly include some performance benchmarks as followed by reputed agencies like AMTRON and APTS (Andhra Pradesh Technical Services) and Modify the Processor Specification as below:- " Quad core with minimum 1.2 GHz Clock Speed with WebXPRT* 2013 Score of 190 or Higher and Google Octane Score of 4000 or higher"
22.	Intel Technology India Pvt. Ltd.	<b>Display Type - Minimum 8 inch or higher TFT /LCD Based Capacitive. Multi Touch Screen with minimum resolution of Min 1024 x 600 pixels</b> - Most of the Tablets with inbuilt Finger Print Sensor comes in 7" inch size. 8" size with inbuilt Finger print sensor is not a standard attachment on any tablets and as such this is Vendor/OEM Specific and could be suiting one particular Vendor /OEM. Considering the same request you to kindly change the Display to "Minimum 7 inch or higher TFT /LCD Based Capacitive. Multi Touch Screen with minimum resolution of Min 1024 x 600 pixels".
23.	Intel Technology India Pvt. Ltd.	<b>Operating System - Android 5.0 Lollipop or higher (upgrade support to the next higher version)</b> - Request you to kindly modify the same to "Android Kit Kat 4.4 or higher" as only some limited OEM are ready with Android 5.0 Lollipop
24	Intel Technology India Pvt. Ltd.	<b>Sensors - Proximity Sensor</b> - Proximity Sensors mainly functions on smart phone or calling devices hence request you to kindly remove the same
25	Intel Technology India Pvt. Ltd.	<b>Sensors – Accelerometer</b> - Accelerometer Sensors mainly functions on smart phone or calling devices. G-Sensor and Accelerometer are used for same functionality. Since G-sensor is already asked, request you to kindly remove the Accelerometer requirement.

26	Intel Technology India Pvt. Ltd.	<b>Sensors - Finger Print Scanner</b> - Finger print sensor is not a standard attachment on any tablets and as such this is Vendor/OEM Specific and could be suiting one particular Vendor /OEM. Need clarity if Finger Print Scanner can be connected externally to tablet using micro-USB port?
27	BMG Informatics	<b>Processor- Quad core with minimum 1.2 GHz Clock Speed</b> - We request you to incorporate some Industry Standard Neutral Benchmark, this will ensure on quality of the tablet PCs. Please amend the Processor Specification as below:- " Quad core with minimum 1.2 GHz Clock Speed with WebXPRT* 2013 Score of 190 or Higher and Google Octane Score of 4000 or higher"
28	BMG Informatics	<b>Android 5.0 Lollipop or higher (upgrade support to the next higher version)</b> - Request you to amend the same to "Android Kit Kat 4.4 or higher" as only some limited OEM are ready with Android 5.0 Lollipop
29	BMG Informatics	<b>Sensor - Proximity Sensor</b> - Proximity Sensor is a function of Smart phone or calling devices hence request you to kindly remove the same
30	BMG Informatics	<b>Sensor – Accelerometer</b> - Accelerometer Sensor is a function of Smart phone or calling devices. G-Sensor and Accelerometer are used for same functionality. As G-sensor is already being mentioned, hence we kindly request you to kindly remove the Accelerometer requirement.
31	BMG Informatics	<b>Sensor - Finger Print Scanner</b> - Finger print sensor is not a standard attachment on any tablets and as such this is Vendor/OEM Specific and could suit one particular Vendor /OEM.  If Needed, Finger Print Scanner can be connected externally to tablet using USB port?  OR You may ask for 7 Inch Display. Finger Print scanner comes integrated with Maximum OEMs in the segment of 7 Inch Tablet PC. (Some of the Supporting Documents are enclosed).
32	BMG Informatics	<b>Accessories - USB Cable, HDMI cable, OTG cable</b> - Kindly remove HDMI cable. You have asked only USB port interface. Hence USB cable & OTG cables are necessary. HDMI cable is not applicable.
33	BMG Informatics	<b>Point 2. Of 1.1 Eligibility Criteria - Average Annual Financial Turn Over during the last 3 years, ending 31st March 2014 should be Rs.1 Crore. (Please submit Annual report (Balance sheet and profit &amp; loss Account) for last 3 financial years. –</b> Average Annual Turn Over during last 3 years can be asked for Min Rs.5 Crore.  As this involves supply & installation of large number tablets, hence, any firm with turn over near 1Crore may not suffice to fulfil / execute this kind of contract.

34	BMG Informatics	<p><b>Point 3. Of 1.1 Eligibility Criteria - Bidder should have experience of having successfully completed similar supplies during last 2 financial years ending 31st March 2014. ( Please submit attested copies of supply order / completion certificate) –</b></p> <p>Bidder's Experience please be considered for last 5 years. The period towards experience of the bidder should be accounted prior to date of submission of the Bid (i.e. up to 07/11/2015).</p> <p>5 years' experience also matches with the clause description stated under "Evaluation Matrix" – Annexure VIII. (Page No: 31 of the Tender Document).</p> <p>Experience Of Firm Asked in the Evaluation Matrix: Proven experience for delivery of Tablet PC and installation, integration &amp; maintenance of the same in Govt. / PSUs/ Autonomous Bodies/ Authority for at least one project of value not less Rs. 1 Lakh each during last 5 years.</p>
35	INFOTECH SOLUTION/ HP/ Medhassu/ cmsitservices	<p><b>Operating Systems - Android 5.0 Lollipop or higher ( upgrade support to next higher version –</b></p> <p>We would request you to also consider the Microsoft a one of the operating systems. It is one of the widely available OS across all the OEMs and considered to be one of the most stable, secured and user friendly OS. Considering the same kindly amend the processor specification to "Android Kit Kat 4.4 or higher / Microsoft Windows 8 or higher".</p>
36	INFOTECH SOLUTION/ HP/ Medhassu/ cmsitservices	<p><b>Display Type –</b></p> <p>10.1"Better readability and usage in the field where light is dim</p>
37	INFOTECH SOLUTION/ HP/ Medhassu/ cmsitservices	<p><b>Display- Toughened glass –</b></p> <p>Display breakage where the repair/replacement cost will be as high as 40% of the device cost itself. In order to reduce the chances of display breakage it's important to include Toughened Glass protection built in by design.</p>
38	INFOTECH SOLUTION/ HP/ Medhassu/ cmsitservices	<p><b>Protection from drop, moisture and Dust –</b></p> <p>Ruggedized tablets use case which can withstand the Harsh Indian environment of high levels of Dust, Accidental Water Splash, Rain &amp; Drop protection built in by design. We need to recommend minimum IP 52 Protection and Drop Protection from 2FT on Normal Road on any side to support this use case</p>
39	INFOTECH SOLUTION/ HP/ Medhassu/ cmsitservices	<p><b>Weight - Less than 500gms –</b></p> <p>Less than 900 gm as the ruggedisation of ABS plastic will make the device sturdy and little higher on the weight which will be the case if an external ruggedisation cover is provided</p>
40	INFOTECH SOLUTION/ HP/ Medhassu/ cmsitservices	<p><b>Display Type –</b></p> <p>10" or higher resolution 1280X800, 10.1"Better readability and usage in the field where light is dim</p>
41	INFOTECH SOLUTION/ HP/ Medhassu/ cmsitservices	<p><b>Battery –</b></p>

		Battery back -up required must be 6000mAh to enable usage of the device in areas where Power shortage and 8 hours of back up
42	INFOTECH SOLUTION/ HP/ Medhassu/ cmsitservices	<b>Connectivity –</b> 1 Micro USB2.0 port
43	INFOTECH SOLUTION/ HP/ Medhassu/ cmsitservices	<b>Sensors –</b> Remove 1. Light sensor & 3. Proximity Sensors as they are mainly functions of Smart phone or calling devices hence request you to kindly remove the same. 2. G-Sensor and Accelerometer are used for same functionality. Since G-sensor or Accelerometer request you to kindly make G sensor/ Accelerometer requirement. 5. Finger print sensor is not a standard attachment on any tablets and as such this is Vendor/OEM Specific and could be suiting one particular Vendor /OEM. Need clarity if Finger Print Scanner can be connected externally to tablet using micro-USB port?
44	INFOTECH SOLUTION/ HP/ Medhassu/ cmsitservices	<b>Accessories –</b> Case cover not required as the abs Plastic cover already is a hard casing on hp device
45	Acer	<b>Quad core with minimum 1.2 GHz Clock Speed –</b> Different Tablet OEM use different CPU in their Tablets. Only number of Processor Cores or Clock speed of the Processor cannot ensure similar performance of the tablets. Therefore request you to kindly use Third Party Benchmark to describe the CPU specification instead of physical parameters of the CPU. This will ensure that all OEM offer for tables with similar performance.
46	Acer	<b>Minimum 8 inch or higher TFT /LCD Based Capacitive. Multi Touch Screen with minimum resolution of Min 1024 x 600 pixels –</b> 8 inch display with inbuilt Finger Print sensor makes the specification favourable for a specific OEM only. Inbuilt fingerprint sensor is available mostly with 7inch tablets. Therefore request you to kindly modify the screen size to 7inch so that all the OEM can offer their products.
47	Acer	<b>Android 5.0 Lollipop or higher (upgrade support to the next higher version) –</b> Presently only few Tablet OEM are using Android 5.0 Lollipop OS. Therefore request you to kindly amend as Android 4.4 or higher
48	Acer	<b>Proximity Sensor –</b> It is a feature used in calling devices like Smartphone. Therefore request you to kindly remove this feature.
49	Acer	<b>Accelerometer –</b> It is a feature used in calling devices like Smartphone. Also G-Sensor and Accelerometer are used for same functionality, and G-sensor is already asked for. Therefore request you to kindly remove this feature.
50	Acer	<b>Finger Print Scanner –</b> 8 inch display with inbuilt Finger Print sensor makes the specification favourable for a specific OEM only. Also

		fingerprint sensor is not a standers feature of most of the tablets. Therefore request you to kindly clarify if external fingerprint sensor connected through micro USB port may be offered here.
51	HCL Infosystems Ltd.	<b>Delivery Schedule - Within 4 weeks from the date of issue of purchase order –</b> Delivery time should be min 10-12 weeks instead of 4 weeks. Delivery will be made in one location Guwahati.
52	HCL Infosystems Ltd.	<b>Payment Terms –</b> 95% against delivery and 5 % against submission of PBG.
53	HCL Infosystems Ltd.	<b>EMD - Rs. 6 Lacs. –</b> Whether EMD value is based on total bid value. Please clarify.
54	HCL Infosystems Ltd.	<b>Performance Bank Guarantee –</b> Maximum 5 % of the value of total value of contract awards.
55	HCL Infosystems Ltd.	<b>SLA Penalty - Rs. 500/- per day</b> Rs 100/- per week to max of 5 % of Order value.
